Each of the Fund’s Board of Trustees has approved the refinancing which is expected to lower the costs of leverage for the Funds. Each Fund’s obligation to redeem the AMPS shares is subject to having sufficient funds available to it from its borrowing arrangement to finance the redemption.

More information on the Funds can be found at www.cloughglobal.com or by calling 877-256-8445.

The Funds are closed-end fund mutual funds. Closed-end funds do not continuously issue shares for sale as open-end mutual funds do. Since the initial public offerings, the Clough Global Funds now trade in the secondary market. Investors wishing to buy or sell shares need to place orders through an intermediary or broker.
